

Michigan Junior Livestock Society www.mijrlivestocksociety.com

Join us for the 42st annual MJLS Winter Classic in early December, at the Farm Bureau Livestock Pavilion at Michigan State University. . This event is one of the largest cattle jackpot shows held east of the Mississippi. Each year over 600 exhibitors and 1000 head of cattle spend 3 days in East Lansing. While there, youth ages 8 to 21 that are Michigan residents compete in a variety of contests in and out of the ring. Showmanship, herdsman's quiz, photography, and graphic design contests are just a few of the opportunities available.

Back again in 2025 we will have a two ring, two judge format for our youth exhibitors. We continue to receive positive feedback on the opportunity to show under two different judges and the additional opportunity for the youth exhibitors to showcase their livestock. This format allows for different opinions, feedback, and outcomes in a single day; as well as attract more exhibitors to help us generate more revenue for our Scholarship fund! We invite you to join us in supporting the youth and showcasing your farm/business as a 2025 sponsor.

The Michigan Junior Livestock Society (MJLS) is devoted to the development of youth and their commitment to the beef, sheep, goat, and swine industries. Our primary objective is to cultivate Michigan's youth to assume leadership roles in livestock agriculture, as well as give them the opportunity to interact with their peers and exhibit their livestock projects. Each year, we honor individuals that are continuing their education beyond high school with scholarships funded by the MJLS scholarship fund.

A variety of sponsorship levels, types, and exhibit booths are available. Please see the brochure for sponsorship levels and options.

On behalf of the junior exhibitors and the Michigan Junior Livestock Society, thank you for taking the time to consider this great opportunity to support the future generation of agriculturists, **our youth!** If you have any questions, please feel free to contact us. We look forward to working with you at the 2025 Winter Classic!
Sincerely,

Your 2025 Winter Classic Committee
